

# MAPLEWOOD COMMUNITY ASSOCIATION

Official Newsletter for the Community of Maplewood Park and Maplewood Garden  
[maplewoodcommunity.org](http://maplewoodcommunity.org)

**A note from President, Mike Barrett:**

It's that time of year again. Time to get active in your yard and time to start that project that you've been wanting to complete. Remember that most projects outside need to be approved by the ACC, architectural control committee, before you get started. Contact your street director for any questions, or fill out a form on our website, [maplewoodcommunity.org](http://maplewoodcommunity.org). Hope to see you all at our spring meeting.

**SPRING GENERAL MEETING**  
APRIL 7TH - 7 P.M.  
ST. JOSEPH TWP COMMUNITY HALL  
6033 MAPLECREST RD.

Don't miss this opportunity to find out what is happening in the community, upcoming events, and let your Association leaders know of any concerns or ideas you may have.

This will also be a great time to volunteer to be a part of the solution.

Join Us!

**88% of Association Dues are paid. Please note that unpaid dues have now been turned over to collection.**  
Thank you to all who paid in a timely manner.

## Neighborhood Improvement Grant

MCA currently has a task force committee working on securing an Improvement Grant for our Association.

There are several ways in which you can voice your opinion on how the grant dollars would be used.

To vote, you may either use the Google forms link on our website, or Facebook page, or scan the QR code on either one. You may also voice your opinion at the Spring General Meeting.  
See insert for more information.
